Dundry Hilltop walk instructions

1. From the car park, go through the gate and follow the stone path. At the next gate, continue straight ahead through the field, aiming for the right of the pylon, and cross over the stone stile. Cross the field diagonally – If the field is in full bloom, go round the edge of the field to the opposite corner.
2. Go through the gate, cross the farmyard and go through the following gate. Cross the road and go through the gate straight ahead into the field, following the signpost for the Monarch's Way. Continue straight ahead up the hill following the man-made path, go through the gate and continue through the following field.
3. Go through the gate and turn left onto a country lane. Go through the next gate and continue straight ahead along the road. At the junction, keep right along the same road, and at the start of the village, turn right onto a lane between the houses (do not cross the cattle grid).
4. At the end of the lane, go through the gate into the field and continue straight ahead, keeping the hedge to your left. Go through the gate on your left into the next field and continue straight ahead into the following field, this time keeping the hedge to your right.
5. When you reach the corner of the field below the pylon, turn left, keeping the hedge to your right, and go through the gate onto the country lane. Go through the gate onto the road and follow the road straight ahead into the village, past the church and back to the car park.
