4. Turn right onto the road and continue straight ahead, walking first along High Street, then Burton Hill, Barley Close and Parliament Row. At the pedestrian crossing, cross the main road and turn right. Turn left down the second lane, following the footpath sign and keeping the fence to your right.

5. At the end of the lane, go through the gate and cross two fields, keeping the hedge to your left. Cross over the stile and continue straight ahead, aiming for the gap between the line of trees. Then cross over the next stile, continue straight ahead and once you've past the tree, veer right.
6. Cross over the following stile and continue straight ahead, keeping the hedge to your right. When you reach the end of the field, turn sharply left, staying in the same field and walking along the left bank of the river. Cross over the stile on the right-hand side of the gate onto the road.

Follow the road back through Crab Mill Farm and at the last farm building, go through the gate on your right.
12. Veer right, go over the bridge and go through the two gates, crossing the road. Veer right uphill and aim to the right of the tree. Go through the kissing gate under the tree and continue along the field border, keeping the hedge to your left.
13. At the corner of the field, go through the kissing gate and continue along the woodland path. Cross over the stile and continue straight ahead along the tarmac path. Veer left towards the river and walk along the river bank, keeping the river to your left. Before the bridge, go back along the tarmac path.
